

CEMEN TECH C SERIES MOBILE MIXER

SIMPLE, ACCURATE, RELIABLE

Antec makes it easy to get the job done fast and right with the Cemen Tech C Series mobile mixer. With this versatile unit you get:

AUTOMATION – Electronic control panel and digital display for quick-start operation.

ONE-BUTTON OPERATION – Just push and pour.

ACCURACY – Electronic mix designs for exact mixtures every time.

CONTROL – Quality, quantity and schedule.

SAFETY – No-slip work platform, high illumination LEDs and wireless remote.

SUPPORT – Exceptional support and back up.

3.26-3.96 m³

PRODUCTION RATE*

45.87 m³

45.87 m³

**Measurements provided are approximations*

***Built with an extended aggregate bin*

STANDARD FEATURES

AP-TOUCH

Cemen Tech's proprietary one-touch control system. Just select the mix design you need and the system auto adjusts. Pre-load unlimited mix designs so you are always ready for any job.

AUTO-WASHOUT

Quickly wash out on the job site to prevent material build-up.

DIGITAL FLOW METERS

Simple controls with automated high and low flow admix tank to ensure the perfect amount of admixture is used every time.

TWO-SPEED CEMENT BIN

Easily switch between concrete mixers and flowable fill applications.

SAND, STONE & CEMENT BIN VIBRATORS

Ensure materials are delivered at a consistent rate with pre-programmed auto-adjustable vibrators.

DUAL AUGER CEMENT METERING

Take the guesswork out of pouring with consistent mix designs within +/-1 per cent every time.

PUMP MASTER AUGER W/IBS BEARING

Homogeneous mixing auger for higher discharge height plus an internal bearing system pre-loaded with oil for extended life.

LARGE WORK PLATFORM

Allows you to ensure cement is properly and safely loaded.

360° SWIVEL

Change the flow of concrete in any direction for easier finishing.

OPTIONS

COLOUR SYSTEM

Introduce colour pigments for multiple applications.

WIRELESS REMOTE

Operators can move about the job site while maintaining control of the mixer.

1.5 M³ EXTENSION

Extend the aggregate bin for maximum capacity.

TICKET PRINTER

Generate a custom batch ticket for your customer.

ADDITIONAL ADMIX SYSTEMS

Add another admix system for mix designs requiring more than two admixes per job.

ELECTRONIC TARP

Secure aggregates during transit with a high-quality UV resistant black mesh tarp.

STROBE LIGHTS

Brighten up your work sites and create awareness for traffic around you with bright amber strobes.

SPRAY-IN BIN LINER

Get extra protection and seal the inside of the aggregate bin with a heavy duty polyurea protective coating.

ABOUT ANTEC

Antec is a leading supplier of concrete equipment products for the mining, minerals processing, civil, construction and infrastructure industries in Australia and globally, with a 30 year history. Its philosophy is built on customer service, relationship building and aftersales support.

ABOUT CEMEN TECH

Cemen Tech, Inc. has 50 years manufacturing and engineering experience in the volumetric mixing industry with a reputation for the most reliable machines in the industry. It operates in more than 50 countries, services mixers across the globe, and supplies equipment to the United States military. www.cementech.com
